

I always end up mentioning the weather and that seems so repetitive so this time I am just not going to mention the weather at all.

It was a bit of a small match, but still a good time for all, I hope. There were a handful of our regular shooters off to Perry, but I cannot think of any other reason for the small turnout. Mel won the match overall with a 2532-60x as well as most of the individual sub matches, but Greg was hot on his heels with a 2479-58x!! Congratulations to both of these fine shooters!! Half the rest of the field was shooting 22 only (and doing it well) which is perfectly fine, but I can't place those scores above others shooting 45s for the second and third guns in the match. Cost and availability of reloading supplies has caused an increase in the 22 only contingent of our matches.

The Reeves match was only 3 shooters and Dave S. edged out Dave W with a 269-2x. Congratulations Dave! (results attached)
